School Counselor Newsletter

Greta Skelly, M. Ed.

Butler Elementary

Welcome Back!

My name is Greta Skelly and I am so excited to start my 3rd year at Butler Elementary. As your School Counselor, I am here to help ALL students be successful socially, emotionally and behaviorally, so they may access their education without barriers.

Here is what I do at our school:

Classroom Lessons- I visit all grades to teach social-emotional skills such as feelings, communication, problem solving, diversity, respect, etc.

Small Group Counseling- I facilitate small groups for students who need a little extra support in a certain area.

Individual Counseling- I meet with students short-term to work through problems affecting them at school. I do referrals if further services are needed.

Consultation with Staff/Parents- I am available to meet/talk with teachers and parents to help support students and provide resources about issues affecting children.

Here is what you should know about me:

- * I am one part of the team that works to help your child succeed.
- * I like to get to know all students so they may feel connected and safe while they're with us.
- * I respect your right and your child's right to privacy. Confidentiality is a big part of my job.
- * I love when parents reach out to me for questions, concerns and to share positive things about your child.
- * I love the work I do and feel very passionate about helping children become respectful, responsible and productive citizens!
